Some Formulations and
Explorations on
How to Communicate
One's Ideas More Clearly

Katherine
Liepe-Levinson, PhD
Muse Educational Resources, Inc.

Thursday, September 6, 6:30 PM
Albert Ellis Institute, 45 East 65th St.
NYSGS Members Free
Non-members \$5

This interactive workshop focuses on techniques to help your listener(s) follow and better understand your ideas, whether in a one-to-one conversation or speaking to large groups.

The presentation will also include time for participants to share their own techniques on the topic.

Katherine Liepe-Levinson has taught public speaking and small group communication for CUNY, as well as master classes and workshops on self-management topics using theatre techniques for educators nationally and internationally for two decades.

This is an opportunity to hone your communication skills.

 **BIRTHDAY PARTY** 

FOR
HARRY MAYNARD

Albert Ellis Institute, 45 East 65th St.

Thursday, Sept. 20, 6:30 PM

NYSGS Members Free

Non-members \$5

Come and join our celebration of Harry Maynard's birthday ! (continued)

A number of Harry's friends from around the country are planning to add their best wishes by phone during the celebration.

We'll have a variation of Harry's "Count Fs Test." We'll call it "Count Friends Test" with friends old and new reminding him how he has influenced their lives.

Harry taught at Cooper Union, at NYU, City College's Graduate Division, at Great Neck Public Schools, and many times at NYSGS. He was Program Chairman, International General Semantics Conference at New York University. He has been President of NYSGS, Board Member of IGS and ISGS. He created the GS Foundation to give financial support to research in GS.

We're presenting Harry with two awards, the Michael Ruberto Award, and the Bea Cornelius Award #2.

Join us for cake and ice cream!

LEONARD SHLAIN, MD

**"Right Brain / Left Brain:
Hemispheric Lateralization
and Its Effects on
Religion, Culture, Gender and History"**

Friday, October 26, 2007
6 PM Dinner, 8 PM Program
Princeton Club, 15 West 43rd St., N Y C

Author, surgeon, educator, inventor and speaker,
Leonard Shlain will explore how our biological brain
structures have effects on our social, educational,
artistic and religious sensibilities. His *Art and Physics*,
The Alphabet Versus the Goddess and *Sex, Time and
Power* will now be seen as his deep understanding of
the mind-body, intellectual-emotional, and linear-
integral dichotomies that confront us in our daily lives.

The J. Talbot Winchell Award will be given to Maxine
Mallach, honoring her lifelong contributions to IGS.

Reserve your attendance at www.time-binding.org, or
IGS, 2260 College Ave., Fort Worth, TX 76109, or 817-
